MR/DD PARTNERS, INC.

*The alternative way
to seek financial assistance
for your MR/DD Agency.*

Phone: 740-927-3929

Who is MR/DD Partners?

MR/DD Partners, Inc. is a charitable 501 (c) (3) established in July 2008 with the purpose of obtaining grants and donations for agencies who serve individuals with developmental disabilities. MR/DD Partners is the alternative way for MR/DD agencies to acquire financial assistance.

What will MR/DD Partners provide?

MR/DD Partners is unique because we serve as a funding advocate for MR/DD agencies only. We seek private and public as well as local and national funding sources that have core values matching the missions, needs and people served by the MR/DD agencies. MR/DD Partners will provide a central point for guidance, assistance, and funds; allowing for the MR/DD agencies to focus on what they do best.

When & Where will MR/DD Partners assist?

The short-term goal for MR/DD Partners is to research funding opportunities and acquire grants and donations for specific needs of the applying agencies, or otherwise its "members". Looking into the future, MR/DD Partners will have acquired funding ready to be awarded to applying MR/DD agencies.

In MR/DD Partners' quest for providing a service that will continue the legacy of helping individuals with disabilities, we reach out to 10 Ohio County Boards and their MR/DD agencies, with the vision of expanding its borders.

Why choose MR/DD Partners?

MR/DD agencies often find difficulty in attracting growth capital, and face an uncertain future as local and state government subsidies continue to decline. As a result, MR/DD agencies do not know where to turn for funding that will keep their programs and services viable. In general, MR/DD agencies do not have resources or expert staff to dedicate to research funding sources, thus needing outside assistance in this area. MR/DD Partners will serve as the expert.

How will MR/DD Partners operate?

For best practice purposes, MR/DD Partners will follow a protocol for soliciting funds such as grants, endowments, and individual donations. In return, MR/DD Partners will request that MR/DD agencies follow an application process for applying for services and funding assistance by MR/DD Partners.
